

# Alicia Keys, Where Do We Go From Here

"My man don't love me no more  
He said he needed a little time  
To clear his mind  
Meanwhile I'm losing mine"

We're at the crossroads, my dear  
Where do we go from here?  
Maybe you won't go, maybe you'll stay  
Oh, I know I'm gonna miss you either way

It's such a lonely road  
Where do we go from here?  
All I can do is  
Follow the tracks of my tears, oh

When I cry your name, and I'm crawling in bed  
Oh am I waiting only to drown in pain, oh  
Don't you do it, no, said don't you leave me this way  
I don't know if I can lift my head and face another day

Oh, it's such a lonely road  
Where do we go from here?  
All I can do is  
Follow the tracks of my tears

You seem now the kind of girl who's lost and looking for direction  
Who could this be, staring at me  
When I'm looking in the mirror trying to find a resolution  
Me too far gone, to find my way home

Where do we go from here?  
All I can do is  
Follow the tracks of my tears, oh

Where do we go from here?  
Maybe you won't go, maybe you'll stay  
All I can do is  
Follow the tracks of my tears, either way

Oh, oh, oh  
Oh, oh, oh
