## Alicia Keys, Why do I feel so sad

Friends we've been for so long Now true colors are showing

Makes me wanna cry oh yes it does

Cuz I had to say goodbye By now I should know

That in time things would change

So it shouldn't be so bad

So why do I feel so sad

How can I adjust

To the way that things are going

It's killing me slowly

Oh I just want it to be how it used to be

Cuz Í wish that I could stay

But in time things must change

So it shouldn't be so bad

So why do I feel so sad

You cannot hide the way you feel inside I realize

Your actions speak much louder than words

So tell me why oh

By now I should know that

That in time things would change

So it shouldn't be, it shouldn't be so bad

So why do I feel so sad

By now I should know

That in time things must change

So it shouldn't be so bad

So why do I feel so sad

By now by now I should know

That in time things must grow

And I had to leave you behind

So why do I feel so sad

If it couldn't be that bad Tell me why

By now I should know

That in time things would change

So it shouldn't be so bad

So why do I feel so sad
