

Alicja Janosz, Who Cares

How deep is your love to me
How deep is my love to you
How deep is this love
Who's lovin' more

How strong is your faith in me
How strong is my faith in you
How strong is this faith
I don't know, neither you

Who cares
Now and here we are together
And nothing nothing nothing
Nothing else matters

How great is your trust in me
How great is my trust in you
How great is this trust
I don't know, neither you
