

Alien Ant Farm, Good For A Woman

Leather Skin

Lately it's what I've been thinking about

This alien girl from above

We can share our love

I got it good for a woman

She's something else

She's not quite human(2x)

....Human

Venusian Queen

You're so bright the sun gets me

I swear it's a dream

But I pinch myself and your still green

I got it good for a woman

She's something else

She's not quite human(2x)

I'm head over heels for this space case

Something rhymes and no one fades

I got it good for a woman

She's something else

She's not quite human(2x)

My head's spinning

Around the world and back again(2x)

I got it good for a woman

She's something else

She's not quite human(2x)
