

# Alin Coen Band, A NO IS A NO

Regretting we met a few days ago  
Out in the streets  
I see it in your eyes that you want me  
Straight under your sheets  
The closer you come  
The further I want to be away  
I tell you I'd rather leave now  
You're telling me to stay

I should have heard the voice  
That was saying:  
"Go, grab your bag and go!"  
But I made up that choice to believe  
You'd respect when I say: "No!"

A no is a no is a no  
Would you please let me go  
You push to far  
What a monster you are  
You're ignoring the shock that I show  
/2x

I used to like your name  
But it's revulsion that I feel  
Now that I know about you  
And the wounds on my soul  
That won't heal

I should have heard the voice  
That was saying:  
"I'm watching the long show?"  
But I made up that choice to surrender  
And let your voice grow

A no is a no is a no  
Would you please let me go  
You push to far  
What a monster you are  
You're ignoring the shock that I show  
/2x

Just because I want to wear a skirt  
Or even if I'm ready for a little flirt  
It doesn't mean you can decide for me  
How far I'm ready to take this  
Surely you do agree that

A no is a no is a no  
Would you please let me go  
You push to far  
What a monster you are  
You're ignoring the shock that I show  
/2x
