

# Alisha's Attic, Irresistable U Are

Here we are again  
The jangle of my ankle chain is the only sound I can hear  
When I'm here with you  
[repeat to end]  
Words collide into a single breath,  
You're on my mind, every day and every night,  
Irresistable U are,  
Oh you are

Hey Mister, you got the lines for an interactive future,  
Right on!  
Your strong feet were sent to carry me,  
How about you marry me?

Words collide into a single breath,  
You're on my mind, every day and every night,  
Irresistable U are  
Irresistable U are  
Irresistable U are  
Oh you are  
Oh you are  
Yeah, you are
