Everything has changed Everything has changed In my head In my heart In my veins Everything has changed Everything has changed In my head In my heart In my veins

Ooh I'm digging deeper now Ooh I'm digging deeper now Ooh I'm digging deeper now I know I'll find a way Ooh I'm digging deeper now I know I'll find a way to the heart

In my head In my heart In my head In my head In my heart In my head In my head In my heart

Ooh I'm digging deeper now I know I'll find a way Ooh I'm digging deeper now I know I'll find a way to the heart
