Alison Moyet, Only you

Looking from a window above, It's like a story of love Can you hear me Came back only yesterday I'm moving further away Want you near me All I needed was the love you gave All I needed for another day And all I ever knew Only you Sometimes when I think of her name When it's only a game And I need you Listen to the words that you say It's getting harder to stay When I see you This is going to take a long time And I wonder what's mine Can't take no more Wonder if you'll understand It's just the touch of your hand Behind a closed door
