

Alkaline Trio, Children In Heat

Children in Heat
They have no conscience
No resistance
You gotta see this big reaction
No resistance

Cellophane sex, a new way of life
With your heart in your throat
and the other alive
You've been pissin', pissin blood
pissin blood for seven days

No resistance
No resistance
No resistance

Children in heat
You can't control them
Why I'm running away and away
They're always gonna run away

Children in heat
You can't control them
Why I'm running away

Children in heat
Are young little kindle wood
I see them burning
They all changed their names to Chicago

No resistance
No resistance
No resistance

Children in heat
You can't control them
Why I'm running away

Children in heat
You can't control them
Why I'm running away

Children in heat
You can't control them
Why I'm running away and away
They're always gonna run away

Children in heat
You can't control them
Why I'm running away
