

Alkaline Trio, Heaven

[Originally by The Psychedelic Furs]

[chorus]

heaven is the whole of the heart
and heaven don't tear us apart
yeah heaven is the whole of the heart
and heaven don't tear you apart

there's too many kings
wanna hold you down
and a world at the window gone underground
there's a hole in the sky
where the sun don't shine
and clock on the wall
it counts my time

[chorus]

there's a song on the air
with a love you line
and a face in the glass
and it looks like mine
and i'm standing on ice when i say
that i don't hear planes
and i scream at the fools
wanna jump my train

[chorus]
