

Alkaline Trio, Time To Waste

There's someone down below blowing you a kiss.
They watch from their windows
as all arms fall to their sides,
and all eyes fix on the death of tomorrow.
And you found everything you need
to make a life complete,
completely revolting and they have safety and relief
For sale down the street.
I see you in line every day

You had time to waste and I'm not sorry,
such a basket case, hide the cutlery.
I had time to kill, it's dead and buried.
You've got guts to spill but no one trustworthy.

These creatures are waking up in these dark trees.
Awaiting like vultures.
Eyes roll back turn white in time to feed
They salivate in hunger.
for you, and everything they need
to make a death complete,
completely unnatural and salvation lies
behind those dead eyes that watch you while you sleep every night, and

You had time to waste and I'm not sorry,
such a basket case, hide the cutlery.
I had time to kill, it's dead and buried.
You've got guts to spill but no one trustworthy.

You had time to waste and I'm not sorry,
such a basket case, hide the cutlery.
I had time to kill, it's dead and buried.
You've got guts to spill but no one trustworthy.
