

# All-4-One, Go

Verse

Me and my dudes hanging out, Just came to have a good time,  
This mommy's checkin me out, Smiling and winkin her eye,  
Then she steps up to me, grabs my hand, takes me to the floor,  
And when she starts to dance, I knew trouble was at my door,

B-sec

Cause I got a girl at home,  
And she's trusting me to, do the right thing,  
And I just came to have some fun, I didn't come to hook up with anyone.

Hook

If I was single still, I would stay and chill,  
I gotta go, go, go, go,  
I need to escape, fore it's to late,  
I gotta go, go, go, go, go, go, go

Verse

U pushin' all up on me, Baby It's turnin' me on,  
And In a second or two, I'm gonna do something wrong,  
Cause if I don't intervene, ain't no tellin' what I'm gonna do  
And I know that my girl, don't want me hangin' out with you,

B-sec

Girl u makin this to hard, and its killing me to have to leave  
I just came to have some fun, I didn't come to hook up with anyone.

Hook

If I was single still, I would stay and chill,  
I gotta go, go, go, go,  
I need to escape, fore it's to late,  
I gotta go, go, go, go, go, go, go

Bridge

Baby I must admit that I am attracted to you.  
But I don't wanna mess up,  
Won't take the chance of losing every  
thing that I have for a one night affair

Hook

If I was single still, I would stay and chill,  
I gotta go, go, go, go,  
I need to escape, fore it's to late,  
I gotta go, go, go, go, go, go, go
