swing swing swing
Days swiftly come and go
i'm dreaming of her
she's seeing other guys
emotions obscured
the sun is gone
the nights are long
and i am left while the tears fall
did you think that i would cry on the phone?
do you know what it feels like, being alone?
i'll find someone new

swing swing swing from the tangles of my heart is crushed by a former love can you help me find a way to carry on again

wish cast into the sky i'm moving on she 's seeing other guys she knows i was wrong the notes are old they bend they fold and so do i to a new love

did you think that i would cry on the phone? do you know what it feels like, being alone? i'll find someone new

swing swing swing from the tangles of my heart is crushed by a former love can you help me find a way to carry on again?

bury me you thought your problems were gone carry me away away away!
