

All, Button It

Don't tell me, don't tell me, don't tell me
I don't really need to know
Don't tell me, don't tell me, don't tell me
I don't really need to know
You think you're so cool
You're just a stupid, ugly girl
And if I would blow out my brains
I would never have to see your face again
Don't tell me, don't tell me, don't tell me
I don't really need to know
Don't tell me, don't tell me, don't tell me
I don't really need to know
You seem to think you have it all
Anyone would be at your beck and call
And if I would swallow a million pills
It would be the first time that I smiled in years
