

All Saints, Black Coffe

All Saints
Miscellaneous
Black Coffe
night swimming
Beach walking
Always silent
Never talking
Then you call my name
And i know inside i love you
Sail away
I miss you more
Until you see the shore
There i will be waiting
Anticipating
Each moment is new
Freeze the moment
Each moment is cool
Freeze the moment
I wouldnt wanna be
Anywhere else but... here
I wouldnt wanna change
Anything at all
(anything oh i..)
I wouldnt wanna take
Everything out on... you
Though i know i do
(although i know i do)
Everytime i fall
Day dreaming
Chain smoking
Always laughin
Always jokin
I remain the same
Did i tell you that i love you
Brush your teeth
And pour a cup of black coffee out
I love to watch you do that every day
The little things that you do
Each moment is new
Freeze the moment
Each moment is cool
Freeze the moment
I wouldnt wanna be
Anywhere else but... here
I wouldnt wanna change
Anything at all
(anything oh i..)
I wouldnt wanna take
Everything out on... you
Though i know i do
(although i know i do)
Everytime i fall
HMMMMMM
HMMMMMM
Each moment is cool
Freeze the moment
I wouldnt wanna be
Anywhere else but... here
I wouldnt wanna change
Anything at all
(anything oh i..)
I wouldnt wanna take
Everything out on... you
Though i know i do

(although i know i do)
Everytime i fall
(everytime i fall)
(everytime i fall)
I wouldnt wanna be
Anywhere else but... here
