All Saints, Never Too Late

A few questions that I need to know
How you could ever hurt me so
I need to know what i've done wrong
And how long it's been going on
Was it that I never paid enough attention
Or did I not give enough affection
Not only will your answers keep me sane
But i'll know never to make the same mistake again
You can tell me to my face
Or even on the phone
You can write it in a letter
Either way i've have to know
Did I never treat you right
Did I always start the fight
Either way i'm going out of my mind
All the answers to my questions I have to find
My head's spinnin'
Boy i'm in a daze
I feel isolated
Don't wanna communicate
I take a shower
I will scour
I will roam
To find peace of mind
The happy mind
I once owned yeah
Flexing vocabulary runs right through me
The alphabet runs right from a to zee
Conversations, hesatations in my mind
You got my conscience
Asking questions that I can't find
I'm not crazy
I'm sure I aint done nothing wrong, no
I'm just waiting cos I heard that this feeling won't last that long
chorus
Never ever have I ever felt so low
When you gonna take me out of this black hole
Never ever have I ever felt so sad
The way i'm feeling yeah you got me feeling really
Never ever have I had to find
I've had to dig away to find my own piece of mind
I've never ever had my conscience to fight
The way i'm feeling yeah it just don't feel right
I'll keep searching
Deep within my soul
For all the answers
Don't wanna hurt no more
I need peace gotta feel at ease
Need to be
Free from pain
Go insne
My heart aches yeah
Sometimes vocabulary runs through my head
The alphabet runs right from a to zed
Conversations, hesatations in my mind
You got my concience asking questions that i can't find
I'm not crazy
I'm sure I aint done nothing wrong
Now i'm just awaiting cos I heard that this feeling won't last that long
chorus x3
You can tell me to my face
You can tell me on the phone
Oooh you can write it in a letter babe
Cos I really need to know

You can write it in a letter babe
You can write in in a letter babe(fade)
