## All Saints, Po Po

I haven't slept at all in days It's been so long since we've talked And I have been here many times I just don't know what I'm doing wrong What can I do to make you love me What can I do to make you care What can I say to make you feel this What can I do to get you there me say you say po po - po po There's only so much I can take And I just got to let go And who knows I might feel better, yeah If I don't try and I don't hope No more waiting, no more, aching No more fighting, no more, trying... Maybe there's nothing more to say And in a funny way I'm calm Because the power is not mine I'm just going to let it fly... What can I do to make you love me What can I do to make you care What can I say to make you feel this What can I do to get you there What can I do to make you love me What can I do to make you care What can I say to make you feel this What can I do to get you there And love me...love me...love me..
