

# All That Remains, Follow

And I see  
Nothing I can do  
Would change this now  
This last caress  
I'll cherish forever  
And if I could  
I would kiss  
All your tears away  
This emptiness  
Can only bring sorrow  
If you leave  
I will follow  
Wherever you go  
I will be there for you  
I believe  
That our destinies  
Were entwined  
Now I see that my  
Fate's been decided  
How I hope that  
In some way you'll  
Remember me  
Can't you see that I'd  
Lay down my life for you
