Alle Farben, She Moves (feat. Graham Candy)

Far away, far away, in a land where the sun will never rise -- far away, far away, in a place with matching All alone she moves -- into a broken paradise surrounded by the coloured lights -- on and on she matching alone she moves -- into a broken paradise surrounded by the coloured lights -- on and on she matching alone she moves -- into a broken paradise surrounded by the coloured lights -- on and on she matching alone she moves -- into a broken paradise surrounded by the coloured lights -- on and on she matching alone she moves -- into a broken paradise surrounded by the coloured lights -- on and on she matching alone she moves -- into a broken paradise surrounded by the coloured lights -- on and on she matching alone she moves -- into a broken paradise surrounded by the coloured lights -- on and on she matching alone she moves -- into a broken paradise surrounded by the coloured lights -- on and on she matching alone she moves -- into a broken paradise surrounded by the coloured lights -- on and on she matching alone she moves -- into a broken paradise surrounded by the coloured lights -- on and on she matching alone she moves -- into a broken paradise surrounded by the coloured lights -- on and on she matching alone she moves -- into a broken paradise surrounded by the coloured lights -- on and on she matching alone she moves -- into a broken paradise surrounded by the coloured lights -- on and on she matching alone she moves -- into a broken paradise surrounded by the coloured lights -- on and on she matching alone she moves -- into a broken paradise surrounded by the coloured lights -- on and on she matching alone she moves -- into a broken paradise surrounded by the coloured lights -- on and on she matching alone she matchin
