Allegiance, Into Oblivion

Allegiance Miscellaneous Into Oblivion

What wonders to unfold We wonder what may be Infinitely out of bounds In a red tape lead lined society

Deciet

Concede

Confused

Abused

Not to think, not to hear

Descending destiny

Into oblivion

Not to see

Not to know

Blindfolded we are led,

Into oblivion

Pyramids natures beast

Whence does our knowledge come forth?

Wisdom absorbed but not withheld

We become our own worst enemy

Not to think, not to hear

Descending destiny

Into oblivion

Not to see

Not to know

Blindfolded we are led,

Into oblivion

Evidence to be tried

But it is not to be told

What secrets ar obscured,

From view, ever confused

Not to think, not to hear

Descending destiny

Into oblivion

Not to see

Not to know

Blindfolded we are led,

Into oblivion
