

Allie X, Paper Love

I believe /2x
In the things you do
I wana you to
Believe it /2x
Too!

How amazing ..

..
About you
Walk on too

I know
You are thinking
About Bad things
When you kiss me
You tongue tells me how to lie

Sad song
One occasion
Last week I swear
So no matter what
I'll be stretch all the time

I know this voice gonna let me up
Cuz I hear it all night
Leave this nasty cry

I cry until I just dissolve
Come watch my heart
Turn like paper

Paper
paper love!
