

Allison Iraheta, Don't Wanna Be Wrong

(*Chris Daughtry, Brian Craddock)

[** Bonus track, iTunes Album Pre-Order only:]

I've made this mistake before
Yeah I know it all too well
Sitting by the window pane
Just another rainy day
You, you think I seem so sure
But I can tell that you don't know
I keep going back and forth so much
It's so hard to let you go
I know I wanted you to leave
You used to be so right for me
And I don't wanna be wrong baby
Now it's getting hard to breathe
Suffocating memories
Got me up against the wall
And I don't wanna be wrong baby
You and the flowers at my door
Yeah I know this one too well
But it's not knowing what all that means
Yeah, it's got my head spinning
Oh, the hell you put me through
It's so typical of you
So now it's more than I can deal
So I shed the pain I feel
I know I wanted you to leave
You used to be so right for me
And I don't wanna be wrong baby
Now it's getting hard to breathe
Suffocating memories
Got me up against the wall
And I don't wanna be wrong baby
I won't let you to be everything to me
And I don't want to be the blame
For cutting you out, I'm cutting you out forever now
I've made this mistake before
I know I wanted you to leave
You used to be so right for me
And I don't wanna be wrong baby
Now it's getting hard to breathe
Suffocating memories
Got me up against the wall
And I don't wanna be wrong
