

Allister, 2 A.M.

"2 A.M."

It's 2 A.M. and I'm not asking too much else tonight
So I light a cigarette
And watch the flame burn to my fingers as I think and reflect
On the years that have gone by
And now I'm feeling like a king
With one breath I'll take it all
Into my head I won't forget all of the times that we shared
We watched a good friend fade away
Just like our future on our own no destinations in life
Only thing that's kept the same
But I'm still feeling like a king
And there's just one thing to say

I will wait for you while you wait for me
And I'll meet you somewhere in between.

It's 4 A.M. and I am just about to end this night
'cause I'm out of cigarettes
I'll watch the stars burn through my window as I think and reflect
On the years that have gone by
But I'm still feeling like a king
And there's just one thing to say

I will wait for you while you wait for me
And I'll meet you somewhere in between.

Time is running circles inside my head
4 years of memories I won't forget
And time running out
Times running out
Times running out to say goodbye
[x3]

I will wait for you while you wait for me
And I'll meet you somewhere in between
