

# Allister, Balance

I'm writing this song to tell you that I'm sorry  
Because I know you never thought that I'd be away so long  
I know it's unfair to ask for you to wait for me  
But I don't have a real job and you're ready to move on

And it's hard to keep my balance when you look the other way  
So I'm letting go with every breath I take in

So many reasons I need something more to believe in  
The time has come to turn and walk away  
Through all these changes, mistakes  
There was time now it's too late  
There's nothing more that I could say to you

I'm writing this song to tell you that it's over  
Your jealousy took you way too far this time  
Another day comes, I'm better off with you  
So now take a deep breath and carry on with our lives

And it's hard to keep my balance when you look the other way  
So I'm letting go with every breath I take in

So many reasons I need something more to believe in  
The time has come to turn and walk away  
Through all these changes, mistakes  
There was time now it's too late  
There's nothing more that I could say to you

So what good is today  
If there's not gonna be a tomorrow?  
It's too much for me to take  
I know you don't wait forever  
Just remember that life without us won't be the same

So many reasons I need something more to believe in  
The time has come to turn and walk away  
Through all these changes, mistakes  
There was time now it's too late  
There's nothing more that I could say to you
