I'm No Angel

No I'm no angel, No I'm no stranger to the street  
I've got my label, So I won't crumble at your feet  
And I know baby, So I've got scars upon my cheek  
And I'm half crazy, Come on and love me baby

So you find me hard to handle, well I'm easier to hold  
So you like my spurs that jingle and I never leave you cold  
So I might steal your diamonds I'll bring you back some gold  
I'm no angel

No I'm no angel, No I'm no stranger to the dark  
Let me rock your cradle, Let me start a fire with your spark  
Oh come on baby, Come and let me show you my tatoo  
Let me drive you crazy, Come on and love me baby

So you don't give a darn about me, I never treat you bad  
I won't ever lift a hand to hurt you & I'll always leave you glad  
So I might steal your diamonds I'll bring you back some gold  
I'm no angel
