

# Allstars, Going All The Way

We're going all the way,  
oh, no matter what they say!  
We won't give up, we won't give up,  
we're on our way.  
The future lies within our hands  
and now it's time to make a stand.  
Put heart and soul  
in what we believe in.  
Doesn't matter who you are.  
Keep on looking for the brightest star.  
Don't look back, just keep achieving.  
Everlasting now we're on our own:  
a never ending fight to take control.  
~chorus~  
We're going all the way  
no matter what they say.  
We won't give up, we won't give in.  
We're on our way.  
We're going all the way.  
Got to make a masterplan,  
show the world, every woman and man,  
hoping night and day  
to make it better.  
Use your head, you gotta use your heart.  
Know your mind right from the start.  
Play to win, the only thing that matters  
is a never ending fight to take control.  
~chorus~  
We're going all the way  
no, no, no matter what you say!  
We won't bow down,  
no turnin' around.  
The world is ours today!  
Come on, come on, come on.  
The never ending fight to take control.  
~chorus~  
We're going all the way,  
all the way,  
no, no matter what you say!  
we won't bow down,  
no turnin' around.  
The world is ours today!  
Yeah yeah!
