Alpha Blondy, Face To Face

Face to face with my life Face to face with my destiny Face to face with my life Face to face with my destiny I better stop fooling myself And deal with today's reality My life is a flash in the ageless time Ain't got time to waste See me face to face with my life Face to face with my destiny Face to face with my life Face to face with my destiny What people are saying, I don't care Jah is always standing by my side No matter how tough it gets Jah is watching over I See me face to face with my life Face to face with my destiny Face to face with my life Face to face with my destiny I'd better stop fooling myself And deal with today's reality My life is a flash in this ageless time Ain't got time to waste See me face to face with my life Face to face with my destiny Face to face with my life Face to face with my destiny Face to face with my life Face to face with my destiny Face to face with my life Face to face with my destiny Face to face with my life Face to face with my destiny Face to face with my life

Face to face with my destiny Face to face with my life Face to face with my destiny Face to face with my life Face to face with my destiny
