

# Alphabeat, Boyfriend

Oh yeah you look at me  
When my baby  
Is taking my hand  
And we're walking and talking  
And my parents  
They don't wanna see me  
My friends say I'm uncool  
But I let love rule

Oh yeah  
It's just because I'm crazy in love  
crazy in love  
Oh yeah  
It's just because I'm crazy in love  
crazy in love

Oh no  
Don't you touch my boyfriend  
He's not your boyfriend  
He's mine  
Oh no  
Don't you touch my boyfriend  
He's not your boyfriend  
He's mine

Oh yeah you look at me  
When my baby  
Is taking my hand and we're walking and talking  
A-and my parents  
They don't wanna see me  
My friends say I'm uncool  
But I let love rule

Oh yeah  
It's just because I'm crazy in love
