

# Alphaville, The Shape Of Things To Come

you should hear the warning if you read the signs  
play with your own life but don't play with mine

you're living your way, i'm living mine  
may be tomorrow we will collide

if you knew the action, you see us so blind  
play with your own life but don't play with mine

the shape of things to come  
the shape of things to come  
welcome to the future
