

Alt-J, Bane

Cold and sizzling

I sold my soul
I sold my soul
For a sip at school
For a sip at school
A swimming pool
A swimming pool
Ice cold black fuel
Ice cold black fuel

I'll dive in
Swimming and drinking
And when my parents tell me to come in
I'll just ignore them and keep on drinking
Cola, cola
Fizzy cola

Hey, you!
In the middle of the night, I get a craving and I wake up for you

Thirsty one looks stunned
Dumbfounded by the sizzle of the bubbles on the tongue
Sixty-six times underwater somersault
Pool cool, cooling by the side of the swimming pool
The rules don't apply to you 'cause you've got the buzz
Sixty-six times underwater somersault
Thirsty one looks stunned
Dumbfounded by the sizzle of the bubbles on the tongue
Sixty-six times underwater somersault
Cut the queue, climb the scaffold to ride the flume first
Slap a bigger boy so hard he wakes up on the floor
Sixty-six times underwater somersault

Yeah, you!
In the middle of the night, I get a craving and I wake up for you

My God, my God
Why hast thou forsaken me
My God, my God
Why hast thou forsaken me

Yeah, you!
In the middle of the night, I get a craving and I wake up for you
