

Altan, T

T mo chleamhnas 'a dhanamh inniu agus inn
'S n m´ n go dtaitnonn an bhean uda liom fin
Ach fugfidh m mo dhiaidh , 's rachaidh m leat fin
Sos fna coille craobhaigh

A match was a-making here last night
And it isn't with the girl that I love the best
I'll leave her behind and I'll go along with you
Down by the banks of the ocean

'Mo codladh go h-eadarshuth b'aite liom fin
Leaba luachair a bheith faoi mo thaobh
Buideal branda a bheith faoi mo cheann
'S mo chainn deas ´g 'bheith ar lmh' liom

Sleeping to milking time is my delight
A bed of green rushes underneath my side
A bottle of brandy underneath my head
And a charming young maid in my arms

Shiil mise thoir agus shiil mise thiar
Shiil mise Corcaigh 'gus srideanna Bhaile' Cliath
Macasamhail mo chainn n fhaca mise riamh
'S 'n bhean a d'fhg mo chro crite

Oh I walked east and I walked west
I walked Cork and Dublin's streets
An equal to my love I didn't meet
She's the wee lass that's left my heart broken
