

# Alter Bridge, Rise Today

The wind is blowing cold  
Have we lost our way tonight?  
Have we lost our hope to sorrow?

Feels like we're all alone  
Running further from what's right  
And there no more heroes to follow

So what are we becoming  
And where did we go wrong?

Yeah, oh yeah  
I want to rise today  
And change this world  
Yeah, oh yeah  
Ah, won't you rise today  
And change this world

The sun is beating down  
Are we ever gonna change  
Can we stop the blood  
From running

Our time is running out  
Hope we find a better way  
Before we find we're  
Left with nothing

For every life that's taken  
So much love is wasted

Yeah, oh yeah  
I want to rise today  
And change this world  
Yeah, oh yeah  
So won't you rise today  
And change..

This world  
Only love can set it right  
This world  
If only peace would never die

It seems to me  
That we've got each other wrong  
Was the enemy  
Just your brother all along?

Yeah, oh yeah  
I want to rise today  
And change this world  
Yeah, oh yeah  
Ah, won't you rise today  
And change this world

Yeah, oh yeah  
I want to rise today  
And change this world  
Yeah, oh yeah  
Ah, won't you rise today  
And change this world
