Altered Images, I Could Be Happy (Single Version

I would like to climb high in a tree I could be happy, I could be happy Or go to Skye on my holiday I could be happy, I could be happy Maybe swim a mile down the Nile I could be happy, I could be happy All of these things I do, all of these things I do To get away from you Get away, run away, far away, how do I? Get away, run away, far away, how do I escape from you? I would like to climb high in a tree I could be happy, I could be happy Or go to Skye on my holiday I could be happy, I could be happy Maybe swim a mile down the Nile I could be happy, I could be happy

All of these things I do, all of these things I do
To get away from you
Get away, run away, far away, how do I?
Get away, run away, far away, how do I, escape from you?
I would like to climb high in a tree
I could be happy, I could be happy
Or go to Skye on my holiday
I could be happy, I could be happy
Maybe swim a mile down the Nile
I could be happy, I could be happy
Get away, run away, far away, how do I?
Get away, run away, far away, how do I?
Get away, run away, far away, how do I escape from you?
