

# Aly & A.J., Do You Believe In Magic

Do you believe in magic? In a young girl's heart  
How the music can free her whenever it starts  
And it's magic if the music is groovy  
It makes you feel happy like an old time movie  
I'll tell ya about the magic, it'll free your soul  
But it's like trying to tell a stranger 'bout a rock n' roll  
If you believe in magic, don't bother to choose  
If it's jug band music or rhythm and blues, just go and listen  
It'll start with a smile, it won't wipe off your face  
No matter how hard you try  
Your feet start tapping and you can't seem to find  
How you got there, so just blow your mind  
Do you believe in magic? Come along with me  
We'll dance until morning, just you and me  
And maybe, if the music is right  
I'll meet ya tomorrow so late at night  
We'll go a dancin' baby then you'll see  
All the magic's in the music and the music's in me, yeah  
Do you believe in magic? Yeah  
Believe in the magic of a young girl's soul  
Believe in the magic of a rock n' roll  
Believe in the magic that can set you free  
Ohh, talkin' bout magic  
(Do you believe like I believe?)  
Do you believe in magic?
