

# Aly & A.J., In A Second

Don't know where you are  
Wish I just could be near you  
I would sail oceans  
To get a glimpse of how you feel  
You're all the things I'm looking for  
Everything and so much more  
What I think, you are just perfect  
Could it be that I am worth it?  
Is this thing an open door?  
Walk right through to something more  
You and me  
My life would change in a second, in a second  
Don't know how you feel  
You seem to keep it to yourself  
Would you climb mountains  
To show me this is something real?  
You're all the things I'm looking for  
Everything and so much more  
What I think, you are just perfect  
Could it be that I am worth it?  
Is this thing an open door?  
Walk right through to something more  
You and me  
My life would change in a second, in a second  
Could it be? Could it be?  
You and me, you and me  
Do I see? Do I see clearly?  
What I think, you are just perfect  
Could it be that I am worth it?  
Is this thing an open door?  
Walk right through to something more  
What I think, you are just perfect  
Could it be that I am worth it?  
Is this thing an open door?  
Walk right through to something more  
You and me  
My life would change in a second, in a second
