Aly & AJ, Greatest Time Of Year

It's the greatest time of year, and it's here Help me celebrate it With everybody here, friends so dear Let me simply state it It's our favourite way to spend the holiday Yeah

There's a special kind of feeling in the air It only happens at this time of year When everyone is filled with love and cheer 'Cause that's what matters

Pretty paper boxes tied with bows Walking in the sun or in the snow We can feel the excitement growing, growing

It's the greatest time of year, and it's here Help me celebrate it With everybody here, friends so dear Let me simply state it Joy to the world and everyone Lift up your hearts and feel the love It's our favourite way, to spend the holiday Yeah

We can get all cozy by the fire Turn the music up a little higher I don't think that I could ever tire Of being together

Decorate the tree, hang mistletoe And stand by me

It's a picture perfect moment captured Memories that we'll have after

It's the greatest time of year, and it's here Help me celebrate it With everybody here, friends so dear Let me simply state it Joy to the world and everyone Lift up your hearts and feel the love It's our favourite way, to spend the holiday Yeah

Spend the holidays...

It's the greatest time
