

Alyson Stoner, Dancing In the Moonlight

We're having fun most every night
When that old moon gets big and bright
It's a supernatural delight
Everybody was dancing in the moonlight
Everybody here is out of sight
They don't bark and they don't bite
They keep things loose they keep things light
Everybody was dancing in the moonlight

Chorus

Dancing in the moonlight
Everybody's feeling warm and right
It's such a fun and natural sight
Everybody's dancing in the moonlight
We like our fun and we never fight
We can't dance and stay outside
It's a supernatural delight
Everybody was dancing in the moonlight.

Chorus

Dancing in the moonlight
Everybody's feeling warm and right
It's such a fun and natural sight
Everybody's dancing in the moonlight
Dancing in the moonlight!
Everybody here is out of sight
They don't bark and they don't bite
They keep things loose; they keep things light
Everybody was dancing in the moonlight
Dancing, Dancing!
Dancing in the moonlight.
Dancing, everybody was dancing in the moonlight.
Dancing in the moonlight
Everybody's feeling alright
Such a fun and natural sight
Everybody dancing in the moonlight.
Dancing in the moonlight
Everybody's feeling warm and right
It's such a fun and natural sight
Everybody's dancing in the moonlight.
It's such a fun and natural sight
Everybody was dancing in the moonlight
