## Alyson Stoner, Dancing In the Moonlight

We're having fun most every night

When that old moon gets big and bright

It's a supernatural delight

Everybody was dancing in the moonlight

Everybody here is out of sight

They don't bark and they don't bite

They keep things loose they keep things light

Everybody was dancing in the moonlight

Chorus

Dancing in the moonlight

Everybody's feeling warm and right

It's such a fun and natural sight

Everybody's dancing in the moonlight

We like our fun and we never fight

We can't dance and stay outside

It's a supernatural delight

Everybody was dancing in the moonlight.

Chorus

Dancing in the moonlight

Everybody's feeling warm and right

It's such a fun and natural sight

Everybody's dancing in the moonlight

Dancing in the moonlight!

Everybody here is out of sight

They don't bark and they don't bite

They keep things loose; they keep things light

Everybody was dancing in the moonlight

Dancing, Dancing!

Dancing in the moonlight.

Dancing, everybody was dancing in the moonlight.

Dancing in the moonlight

Everybody's feeling alright

Such a fun and natural sight

Everybody dancing in the moonlight.

Dancing in the mooonlight

Everybody's feeling warm and right

It's such a fun and natural sight

Everybody's dancing in the moonlight.

It's such a fun and natural sight

Everybody was dancing in the moonlight
