Amanda Lear, Follow Me

I'm getting out I'm moving on And from now on Address unknown I should I be difficult to find So follow me Just follow me. I'll sell you dreams and new desires I'm trading hope I'm opened I am the night I am your fate So follow me Just follow me. Faust was right Have no regret Gimme your soul I'll give you life And all the things you want to get So follow me Just follow me. I'll give you wings

I'll sell you fame Merry-go-round Maybe to hell

I am the key to your problem

So follow me Just follow me. Unbelievable maybe You'll have a new identity For a second of vanity I want to change your destiny Unbelievable maybe Follow me Follow me

I'll give you anything you want Your wish is my command If you agree to follow me.
