

Amanda Shaw, Pretty Runs Out

I'm not my cowboy boots
I'm not my faded jeans
I'm not my hazel eyes
Or what it is you think you see
I'm not the body shop
I'm not these fancy nails
I'm not those high price, glossy shiny details
Read beyond the magazine pages
They don't tell you that a super-model ages
Don't you know, that Pretty Runs Out
Watch it go, without a doubt
It was never here forever
That's not what life's about
Cause Pretty Runs Out
I'm not the latest find
I'm not these pearly whites
I'm not this vintage deal... red-headed highlights
I'm not just skin deep
And I'm not dirt cheap
I like the finer things
But, there's so much more to me
Gone tomorrow, what's here today
I bet your Botox, that beauty fades
Don't you know, that Pretty Runs Out
Watch it go, without a doubt
It was never here forever
That's not what life's about
Cause Pretty Runs Out
Read beyond the magazine pages
They don't tell you that a super-model ages
Don't you know that Pretty Runs Out
Watch it go, without a doubt
It was never here forever
That's not what life's about
Pretty Runs Out... cause, Pretty Runs Out
Watch it go, without a doubt
Cause Pretty Runs Out
That's not what life's about
Ooooh, cause Pretty Runs Out
