

# Amanda Shaw, Wishing Me Away

I'm not  
Where I belong  
I belong  
With somebody else  
I'm not  
Who I should be  
I just can't seem  
To find me  
Since you left  
My mind can't think  
A single thought  
My heart is waiting  
For it's key  
These arms  
Have nothing  
To hold onto  
Without you  
I'm not me  
Some-though  
I make it  
Through the day  
Wishing you were here  
Wishing me away  
Everytime  
I try to walk  
All I do  
Is fall on my back  
I'm looking  
At the sky  
Dreaming  
I could fly  
Though  
I can't do that  
But I can sit  
And hope  
That you will come  
Someday  
And save me  
Like you did  
The day  
You walked in  
And gave me  
These wings can try  
I'll stand here  
In a daze  
Wishing you were here  
Wishing me away  
And I will find  
Myself again  
And know exactly  
Where I am  
If time can change  
These memories  
It seems  
That there's a chance  
There's a chance  
I'll get lost  
Here everyday  
Wishing you were here  
Wishing me away  
I'll be here everyday  
Wishing you were here  
Wishing me away
