

Amaranthe, The Nexus

Right now,
I wanna be the enemy,
I hide,
Empower our remedy,

Step up,
Get your game on,
Get your pride back,
Never back down,

(WELL AS I OPEN MY EYES
I SEE MY SHADOW
WILL I RETURN LIKE MYSELF
OR PARTED ATOMS)

I have the will inside my mind,
There is a voice I cant deny

Break, with the past, set the nexus free at last,
as the future will be there to save us,
Trapped in my skin, see the nexus in my dreams,
but will you bury me within

I rise, so you can be a part of me,
I hide as part of the machinery,
I've stepped on the wires,
Feeding the flames to burn higher

(AND AS THE DARKNESS REVEALS
I SEE NO REASON
FOR ME TO REACH FOR THE CURE
IM MY OWN DEMON)

I kept the secrets in my mind,
There is a voice I cant deny

Break, with the past, set the nexus free at last,
as the future will be there to save us,
Trapped in my skin, see the nexus in my dreams,
but will you bury me within

(FACE IT DOWN
IM THE SPINE IN THE FLAME
JUST LET IT OUT OF ME
BREAK IT OUT OF THE CORE
TO HELP ME BREATHE)

I have the will inside my mind,
There is a voice I cant deny

Break, with the past, set the nexus free at last,
as the future will be there to save us,
Trapped in my skin, see the nexus in my dreams,
but will you bury me within
