

Ambush, Turn Me On

For The Longest While We Jammin' In The Party
And U Went In On Me
Pushin' Everything Up
Ride Back On Top Of Me (Yeah...)
But If U Think You're Gonna Get Away From Me
U Better Change Your Mind (Ohh...)
You're Goin' Home With Me Tonight

Let Me Hold U
Girl Caress My Body
U Got Me Goin' Crazy
U... Turn Me On
Turn Me On

Let Me Down U
Girl Wine
All Around Me
U Got Me Goin' Crazy
U... Turn Me On
Turn Me On

One Hand On The Ground
And Bumper Cock Sky High
Went Hard On Me
Git The Python
Hollerin' 4 Mercy (Yeah...)
Then I Wisper In Her Ear
So Wine Harder
And Then She Said 2 Me
"Boy Just Push That Thing In
Push In Harder Back On Me"

Let Me Hold U
Girl Caress My Body
U Got Me Goin' Crazy
U... Turn Me On
Turn Me On

Let Me Down U
Girl Wine
All Around Me
U Got Me Goin' Crazy
U... Turn Me On
Turn Me On

(-Rap-)

Hug Me
Kiss Me And Squeeze Me

Hug Me
Hug Me 'n' Caress Me

Hug Me
Kiss Me And Squeeze Me
Hug Me Caress Me Baby...

Hug Me
Kiss Me And Squeeze Me

Hug Me
Hug Me 'n' Caress Me

Hug Me

Kiss Me And Squeeze Me
Hug Me 'n' Caress Me Baby...

Let Me Hold U
Girl Caress My Body
U Got Me Goin' Crazy
U... Turn Me On
Turn Me On

Let Me Down U
Girl Wine
All Around Me
U Got Me Goin' Crazy
U... Turn Me On
Turn Me On
