

Amelie, Esta Noche Mas y Mas

Oooh
Ven tocar mi cuerpo de latina
Te quiero esta noche mas y mas

Mas y mas, mas y mas, mas y mas
Tu amor, tu amor, tu amor

I'll give you all you want
If you'll be only mine
Don't leave me when you fall
And the thing's is right

Give me love all the night
Give me love all this night
Give me love all the night
I think I'm going crazy

Give me love all the night
Give me love all this night
I'll make you lose your mind

Oooh
Ven tocar mi cuerpo de latina
Te quiero esta noche mas y mas

Mas y mas, mas y mas, mas y mas
Tu amor, tu amor, tu amor

Oooh
Ven tocar mi cuerpo de latina
Te quiero esta noche mas y mas

Mas y mas, mas y mas, mas y mas
Tu amor, tu amor, tu amor
