Flyin' me back to Memphis Gotta find my Daisy Jane Well the summer's gonne And I hope she's feelin' the same Well I left her just to roam the city Thinkin' it would easy the pain I'm a crazy man and I'm playin' my crazy game, game Does she really love me I think she does Like the star above me I know Because when the sky is bright Everything's all right Flyin me back to Memphis Honey keep the oven warm All the clouds are clearin' And I think we're over the storm Well I been pickin' it up around me Daisy I think I'm same Well I'm awful glad And I guess you're really to blame, blame Do you really love me I hope you do Like the stars aboveme how I love you When it's cold at night Everything's all right
