Don't Cross The River (1972)
There's a little girl out lyin' on her own
She's got a broken heart
She's not the kind to take you down for long
She knows and plays it smart

And if she's comin' she's shown no mark She's heard no whistle blowin' from the dark She feels like leavin' and she don't know why Without no bridges she's trapped, so I sigh

Don't cross the river if you can't swim the tide Don't try denyin' livin' on the other side All your life you were on your own

And if you want you can ride my train And soon forget the reason that you're leavin' You'll lose yourself and then some time Maybe even save yourself some grievin'

Don't cross the river if you can't swim the tide Don't try denying livin' on the other side All your life you were on your own
