America, Head and Heart

Theres just no way to say how much I love you You never make me cry and thats just fine Ive only got my fear to burn above me You know we all get scared from time to time Love me with your head and heart Love me from the place it starts Love me with your head and heart Love me like a child Theres just no way to play the things Im feelin No way to tell you all the things you mean Every day I only feel like stealin Away to where I know I can be free Love me with your head and heart Love me from the place it starts Love me with your head and heart Love me when Im wild Laying down the ways to say I need you Scared of lookin tall and feeling small Running through the days I have beside you Scared of being wrong, and thats it all Love me with your head and heart Love me from the place it starts Love me with your head and heart Love me like a child Love me with your head and heart Love me from the place it starts Love me with your head and heart Love me like a child
