Sandman (1971)
Ain't it foggy outside
All the planes have been grounded
Ain't the fire inside?
Let's all go stand around it

Funny I've been there And you've been here We ain't had no time to drink that beer

'Cause I understand You've been runnin' from the man That goes by the name of the Sandman He flies the sky like an eagle in the eye of a Hurricane that's abandoned

Ain't the years gone by fast I suppose you have missed them Oh, I almost forgot to ask did you hear of my enlistment?

I understand You've been runnin' from the man That goes by the name of the Sandman He flies the sky like an eagle in the eye of a Hurricane that's abandoned
