TinMan

Sometimes late when things are real and people share the gift of gab between themselves.
Some are quick to take the bait and catch the perfect prize that waits among the shelves.
But Oz never did give nothin to the Tin man, that he didn't, didn't already have. And cause never wa
So please believe in me when I say im spinnin round, round, round, round. Smoke glass stained br
Image goin down, down, down, down, Soap sud green like bubbles....oooooooooohhh
