

American Idol, Breaking Up Is Hard To Do

You tell me that you're leaving
I can't believe its true
Girl there's just no living without you

Don't take your love
Away from me
Don't leave my heart
In misery
If you go then I'll be blue
Cuz breaking up is hard to do

I beg of you
Don't say goodbye
Can't we give are love
Just one more try
Come on baby
Let's Start anew
Cuz breaking up is hard to do

Breaking up is hard to do
